

U.S. ARMY CORPS OF ENGINEERS
Lt. Col. Peter M. Ammerman
Transatlantic Expeditionary District
U.S. Army Corps of Engineers

Lieutenant Colonel Peter M. Ammerman joined the U. S. Army Corps of Engineers Transatlantic Expeditionary District on Nov 13, 2021, as the Deputy Commander. On April 25, 2022, he assumed interim command of the district. As Commander, he leads the civilian, military, and contract employees who provide engineering solutions and construction expertise in support of the overall U.S. Coalition mission objectives, and Host Nation efforts in order to build partner capacity within CENTCOM area of responsibility.

LTC Ammerman is a native of Ka'a'awa, Hawaii. He received his commission in 2000 through the U.S. Navy's Officer Candidate School program. After leaving the Navy, he joined the Hawaii Army National Guard (HIARNG) in 2006.

He has held a variety of leadership and staff positions throughout his career at the tactical and operational levels. His early company grade leadership assignments began in the HIARNG with the 299th Cavalry Regiment where he was a Platoon Leader, Battle Captain, and Troop Commander. In 2012, he deployed to Kandahar, Afghanistan in support of Operation ENDURING FREEDOM with the 29th Infantry Brigade Combat Team to train, advise and assist Afghan forces.

In 2013, LTC Ammerman moved to Texas, and from 2013-2020 held a number of positions in the Texas Army National Guard (TXARNG), to include: 386th Engineer Battalion Operations Officer; 136th MEB Detachment OIC; Director of Installation Support for Army Support Group – Kuwait; and the Main Command Post – Operational Detachment 1st Cavalry Division Liaison Officer, Kabul, Afghanistan.

Most recently, he served as the 176th Engineering Brigade Operations Officer with the TXARNG and was a Task Force Commander in support of COVID-19 testing and vaccination operations throughout Texas from March 2020 to September 2021.

LTC Ammerman's awards and decorations include the Bronze Star, the Meritorious Service Medal, Army Reserve Components Achievement Medal with an Oak Leaf Cluster, National Defense Service Medal, Global War on Terrorism Expeditionary Medal, the Global War on Terrorism Service Medal, the Afghanistan Campaign Medal w/Campaign Star, the Iraq Campaign Medal w/Campaign Star, the Army Service Ribbon, the Overseas Service Ribbon with oak leaf cluster, and Armed Forces Reserve Medal with M device.

His five operational deployments include one tour in Iraq, two in Afghanistan, and two in Kuwait, supporting Operations Iraqi Freedom, Enduring Freedom and Inherent Resolve.

LTC Ammerman's civilian education includes a Bachelor of Science Degree in Mechanical Engineering from the University of Hawaii.
